ANIMALS OR PETS ON CAMPUS

No animals or pets of any kind are allowed within the boundaries of the college. This restriction also applies to animals or pets confined in any vehicle parked within the college boundary. In connection with special class assignments, the Superintendent/President or appointed designee may grant approval to a student to bring an animal or pet on campus. When such approval is granted, the student shall control and supervise the animal or pet at all times while on campus. (Note: This policy does not apply to the use of a guide dog, signal dog, or service dog, specially trained for assisting a totally or partially blind person, deaf person, person whose hearing is impaired or a physically handicapped person, or the instructional use of animals or animals indigenous to the college grounds.)
